1 Napoleon Bonaparte (French: Napoléon Bonaparte [napoleɔ̃ bɔnapaʁt], Italian: Napoleone Bonaparte) was a French military leader who rose to prominence during the French Revolution and led several successful campaigns against the First and Second Coalitions in Europe. He is known for his reform of the French Army, the Napoleonic Code of Law, and his role in the Napoleonic Wars. He is generally regarded as one of the greatest military commanders of all time, and his campaigns are studied at military academies worldwide.[1]

Napoleon was born at Ajaccio in Corsica to parents of noble Italian ancestry. He trained as an artillery officer in mainland France. He rose to prominence under the French First Republic and led successful campaigns against the First and Second Coalitions arrayed against France. He led a successful invasion of the Italian peninsula.

In 1799, he staged a coup d'état and installed himself as First Consul; five years later the French Senate proclaimed him emperor, following a plebiscite in his favour. In the first decade of the 19th century, the French Empire under Napoleon engaged in a series of conflicts—the Napoleonic Wars—that involved every major European power.[1] After a streak of victories, France secured a dominant position in continental Europe, and Napoleon maintained the French sphere of influence through the formation of extensive alliances and the appointment of friends and family members to rule other European countries as French client states.

The Peninsular War and 1812 French invasion of Russia marked turning points in Napoleon's fortunes. His Grande Armée was badly defeated in the campaign and never fully recovered. In 1813,
